

Celine Wuyts

celine_w@alum.mit.edu · cwuyts@poverty-action.org · +32 499 359 243 · [linkedin](#)

RESEARCH INTERESTS

Survey research methods, Education and training, Digital and social inclusion, Gender

EDUCATION

Massachusetts Institute of Technology, Cambridge, MA
Master in Data, Economics, and Development Policy (MASc) 2023

KU Leuven, Leuven, Belgium
Doctor of Social Sciences [Survey Methodology] (PhD) 2022
Master of Statistics (MSc) 2014

University of Antwerp, Antwerp, Belgium
Master in Business Engineering in Management Information Systems (MSc) 2012
Bachelor in Business Engineering in Management Information Systems 2010

RESEARCH EXPERIENCE

Innovations for Poverty Action, Nairobi, Kenya
Research Scientist July 2024–present
Research Methods Initiative

Directorate for Education and Skills, OECD, Paris, France
Analyst September 2023–May 2024
Programme for International Student Assessment (PISA) Research, Development and Innovation Programme

Centre for Sociological Research, KU Leuven, Leuven, Belgium
Survey methodologist January 2022–December 2022
Belgian Online Probability Panel, a new research infrastructure for the social and behavioral sciences

Research coordinator November 2021–December 2022
CRONOS-2 web panel of the European Social Survey

Doctoral researcher July 2019–June 2022

Research associate May 2021–December 2021
Understanding Gender Imbalances in STEM Fields in Secondary Education in Rwanda

Research associate January 2018–June 2019
Core Scientific Team of the European Social Survey

Research coordinator August 2014–December 2017
European Social Survey

PROFESSIONAL AND TEACHING EXPERIENCE

Workshop facilitation and instruction

Guest lecturer EAE 850: Impact Evaluation for Development Projects and Programmes, Kenyatta University, Master of Economics in Cooperation and Human Development, Kenya (June–July 2025)

Lead instructor Impact evaluation workshop University for Development Studies, Ghana (November 2024)

Lead instructor Impact evaluation workshop Covenant University, Nigeria (November 2024)

Peer reviewing

Public Opinion Quarterly, Journal of Survey Statistics and Methodology, International Journal of Public Opinion Research, Field Methods, Evaluation and Program Planning, Journal of Official Statistics, Survey Methods: Insights from the Field

Dutch-language platform for Survey Research (NPSO)

Core organizing member

April 2019–present

TECHNICAL SKILLS

Programming languages and statistical software

- R: Proficient
- Stata, SPSS: Intermediate
- Python: Familiar

Research workflow tools

- Literate programming (RMarkdown/Quarto): Proficient
- Survey software (SurveyCTO, KoboToolbox, Qualtrics): Intermediate
- Version control (Git): Familiar

LANGUAGES

- English: Fluent (TOEFL iBT 113/120, January 2022; EF Cambridge English Level Test C2, August 2011)
- French: Intermediate (FLE B1/B2, Université Paris-Dauphine, October, 2013)
- Dutch: Native
