EDUCATION

Massachusetts Institute of Technology, Cambridge, MA
Master in Data, Economics, and Development Policy (MASc) 2023

KU Leuven, Leuven, Belgium
Doctor of Social Sciences [Survey Methodology] (PhD) 2022
Master of Statistics (MSc) 2014

University of Antwerp, Antwerp, Belgium
Master in Business Engineering in Management Information Systems (MSc) 2012
Bachelor in Business Engineering in Management Information Systems 2010

RESEARCH EXPERIENCE

Innovations for Poverty Action, Accra, Ghana (previously Nairobi, Kenya)
Research Scientist July 2024–present
Research Methods Initiative
Survey Delivery Unit

Directorate for Education and Skills, OECD, Paris, France
Analyst September 2023–May 2024
Programme for International Student Assessment (PISA) Research, Development and Innovation Programme

Centre for Sociological Research, KU Leuven, Leuven, Belgium
Research Associate August 2014–December 2022

PROFESSIONAL AND TEACHING EXPERIENCE

Workshop facilitation and guest lecturing
Co-lead instructor Impact evaluation workshop Africa Fellows in Education Program (October 2025)
Guest lecturer Impact Evaluation for Development Projects and Programmes (EAE 850), Master of Economics in Cooperation and Human Development, Kenyatta University, Kenya (June–July 2025)
Lead instructor Impact evaluation workshop University for Development Studies, Ghana (November 2024)
Lead instructor Impact evaluation workshop Covenant University, Nigeria (November 2024)

Peer reviewing
Public Opinion Quarterly, Journal of Survey Statistics and Methodology, International Journal of Public Opinion Research, Field Methods, Survey Research Methods, Evaluation and Program Planning, Journal of Official Statistics, Survey Methods: Insights from the Field

Dutch-language platform for Survey Research (NPSO)
Core organizing member April 2019–present

TECHNICAL SKILLS

- Programming and statistical software: R (proficient), Stata, SPSS (intermediate), Python (familiar)
- Reproducible research workflows: RMarkdown/Quarto (proficient), LaTeX, Git (familiar)
- Survey software: SurveyCTO, KoboToolbox, Qualtrics (intermediate)

LANGUAGES

- English: Fluent (TOEFL iBT 113/120, January 2022; EF Cambridge English Level Test C2, August 2011)
- French: Intermediate (FLE B1/B2, Université Paris-Dauphine, October, 2013)
- Dutch: Native

PUBLICATIONS AND CONFERENCE CONTRIBUTIONS

Peer-reviewed publications

1. **Wuyts, C.**, and Loosveldt, G. (*forthcoming*), “Contagious bias in the interview revisited: Evidence of active interviewer effects in a face-to-face survey,” Survey Research Methods.
